## ST. CECILIA SCHOOL ANNUAL APPEAL 2019

When you say Yes to the Annual Fund, we can say "YES" to our students & faculty.

**Dear Alumni, Parents, and Friends of St. Cecilia,**

**We just wrapped up another fantastic school year at SCS!** Our near capacity enrollment is a testament to the Christ-centered education that is provided to our 481 students at St. Cecilia. You, our unwavering supporters, help us maintain this high level of learning year after year. You answer our call for assistance, you lift us up in prayer, and you fill our hearts with the spirit of St. Cecilia and the love of the Broussard community.

As you reflect on the many treasures that St. Cecilia provides to all of us in one way or another, we ask that you prayerfully reflect on a gift to our 2019 Annual Appeal. **Your contribution will be allocated in the following manner:**

**50%  
OF YOUR  
GIFT**

will be used to enhance the covered area at the rear of the gym. It is nice for our students to have a shady escape from hot Louisiana days. The wooden rails will be replaced with sturdier, longer-lasting material. Additional seating will also be installed in that area.

**30%  
OF YOUR  
DONATION**

will benefit our faculty and staff. The men and women who are charged with educating our children are extraordinary. They carry out the mission of St. Cecilia School and lift our children up in the light of Christ. God has called them to be educators who help build our students into accomplished, Christian thinkers.

## Successful Christ-centered Students

**20%  
OF YOUR OFFERING**

will be invested in funds for the St. Cecilia Foundation. The foundation helps to ensure that our school will continue to operate in the future, affording the benefit of a St. Cecilia education to students for years to come.
